

Who We Are

Discover the hidden gem of Gilroy; 5th Street Coffee Roasting Co., where every visit promises a delightful experience.

Since opening our doors in November 2013, we have offered charming decor, a welcoming staff, and, most importantly, exceptional coffee. This spot quickly becomes a favorite for both locals and visitors. We are just one of the many coffee shops opened by Yolanda Castaneda.

About Us

At 5th Street Coffee, you'll taste the difference in every cup. We import premium coffee beans from around the globe and roast them on-site to ensure a rich, full-bodied flavor. Swing by on a Sunday morning to catch the coffee roasting in action and savor that irresistible aroma.

We offer free WiFi
24/7 for everyone.

Our coffee beans are imported from all over the world.
